ENGINE

THE undersigned being exclusively engaged the manufacture of the TOZER ENGINE, beg to call the attention of all who contemplate purchasing engines to the advantage you secure in making your purchases from your own Manufacturers at home. You get the best that is made (all Yankee manufacturers acknowledge this fact), adapted to the class of work for which they are needed. They will do more work with the same amount of fuel than any other engine. They are made outright at your own beautiful Capital. They are more simple and less liable to get out of repair than any other, and if anything gets broken we are within a few hours of you to replace what is wrong. We guarantee satisfac ion to all. Engines made from SIX to FIFTY HORSE POWER. Repairing done at short notice Fittings. Belting, Hose, Hancock Inspirators etc., for sale We refer you to a few who are using our Engines. References-Gen. John Fratton, Col James Jones, W. B. Estes, D. P. Crosby, Calvin Brice, Russell Black, H. J. McKeown. For prices, &c., address,
